

GEX CORPORATION SALES TERMS AND CONDITIONS

1. **Acceptance of Terms and Conditions; No Additional Terms.** By purchasing products (the “**Products**”) from Intelligent Operation Technologies, Inc. d/b/a GEX Corporation (“**GEX**”) by electronic, phone, paper or any other form of transmission, the person or entity purchasing such Products (“**Buyer**”) confirms that these terms and conditions (the “**Terms and Conditions**”) apply to Buyer’s purchase of the Products. The term “Products” includes Products manufactured by GEX (“**GEX Products**”) and Products manufactured by a third-party (“**Third Party Products**”). An order for the Products is deemed by GEX to be an offer to purchase, which GEX may accept or reject in its sole discretion. GEX objects to any proposal or agreement provided by Buyer that includes different or additional terms that vary from these Terms and Conditions or any agreement or other document to which these Terms and Conditions are attached or incorporated by reference, and any such proposal or agreement is disallowed and shall be of no effect. These Terms and Conditions apply to all Products sold by GEX, whether GEX Products or Third-Party Products; provided, however, any software licensed by GEX shall be subject to a separate license agreement. GEX and Buyer may be referred to in these Terms and Conditions collectively as the “**Parties**” or individually as a “**Party**.”

2. **Fees and Payment.**

(a) **Payment.** Buyer shall pay GEX, without offset or deduction, the purchase price and other fees (collectively, the “**Fees**”) set forth in these Terms and Conditions and the order acknowledgement provided by GEX in response to Buyer’s order (the “**Order Acknowledgement**”). All Fees for the Products shall be due and payable in U.S. currency in accordance with the payment terms set forth in the Order Acknowledgement or, if no Order Acknowledgement is provided by GEX, upon receipt of the invoice. If Buyer fails to make any payment when due, in addition to all other remedies that may be available, GEX may charge interest on the past due amount at the rate of 1.5% per month or, if lower, the highest rate permitted under applicable law. Buyer agrees to reimburse GEX for GEX’s costs of collection (including, without limitation, attorneys’ fees) should Buyer fail to pay GEX in a timely manner.

(b) **Taxes and Other Charges.** All Fees and other amounts payable by Buyer under these Terms and Conditions are exclusive of taxes and similar assessments. Buyer is responsible for all sales, use, and excise taxes, and any other similar taxes, duties, and charges of any kind imposed by any federal, state, or local governmental or regulatory authority on any amounts payable by Buyer hereunder, other than any taxes imposed on GEX’s income. Buyer is also solely responsible for all freight and other charges related to delivery and importation (when applicable) of the Products, and upon notice (whether on an Order Acknowledgement or a future invoice) shall promptly reimburse GEX for such charges.

3. **Delivery.**

(a) The following terms apply to shipments of Products:

(i) Products will be shipped in accordance with the shipping terms specified in Buyer’s purchase order and confirmed in the Order Acknowledgement. Shipments shall be bound by the latest published INCOTERMS® guidelines as currently published and accepted by the International Chamber of Commerce or a previous revision that is explicitly specified in the Order Acknowledgement. Unless otherwise stated in the purchase order and confirmed in the Order Acknowledgement, Products will be delivered “Ex Works” (EXW) at GEX’s manufacturing facility.

(ii) Delivery schedules are estimates only. Failure to deliver within the agreed schedule, for whatever reason, shall not entitle Buyer to cancel the order, or claim consequential, liquidated or other damages.

(iii) GEX may, in its sole discretion, without liability or penalty, make partial shipments of the Products to Buyer until the order is filled completely. In GEX's discretion, each shipment may constitute a separate sale, and unless otherwise stated in the Order Acknowledgement, Buyer shall pay when invoiced for the Products shipped whether such shipment is in whole or partial fulfillment of the quantity purchased.

(b) Buyer acknowledges that it has a reasonable opportunity to inspect the Products prior to accepting delivery thereof from the carrier and that it shall be deemed to have waived any nonconformities of the Products which are discoverable at that time unless it notifies GEX thereof prior to accepting the Products from the carrier. Buyer further agrees that it shall be deemed to have waived any other nonconformities which are discoverable upon visual inspection if such nonconformities are not reported orally to GEX within one (1) business day and confirmed in writing within three (3) business days after delivery by the carrier.

4. ***Buyer Responsibilities.***

(a) Buyer shall use the Products in compliance with these Terms and Conditions and any documentation provided in connection with the Products, and shall be responsible for compliance with these Terms and Conditions by Buyer's employees and agents who have access to the Products. Buyer assumes all responsibility and risk of selection and suitability of the Products, and Buyer will not make any claim against GEX based on GEX's technical advice, statements, data, services or recommendations.

(b) Buyer understands that Product performance during actual use will depend substantially on factors beyond GEX's control, including, but not limited to, Buyer's proper care, testing, installation and maintenance of Products. Buyer shall undertake and complete product care, testing, installation and maintenance in accordance with procedures recommended by GEX or the third-party manufacturer in the Product's manual and applicable industry practices, and Buyer agrees to hold harmless, indemnify and defend GEX from and against any claims, liability damages or expenses incurred by GEX, including attorneys' fees and costs, as a result of Buyer's failure to follow such procedures.
